

FINE OF \$50 IS GIVEN SPEEDER

Heavier Penalties and Then Jail Sentences, Says Judge Roberts

Elj Brown, negro bootblack, arrested yesterday afternoon on Twenty-fourth street between Jackson and Harrison avenues on the charge of speeding by Motorcycle Officer C. E. Leiser, pleaded guilty in the city court this morning before City Judge D. R. Roberts.

He was sentenced to pay a fine of \$50 or to serve 50 days in jail and he paid his fine.

In commenting on the disregard of the law relative to speeding, Judge Roberts said that on March 1 he had announced that the court would follow the same procedure this year as last year, namely sentencing speeders to pay fines of \$20 or to serve 30 days in jail.

He stated that such fines had evidently been without avail in checking speeding and also called attention to his published statements about ten days ago that unless speeding was stopped jail sentences would be resorted to instead of fines.

The admonition, he said, had apparently had no effect on speeders inasmuch as since that time there had been two persons killed in automobile accidents where the drivers had been alleged to have been speeding.

The public sentiment was aroused to a high pitch, Judge Roberts said at this time, due to such accidents and he added that in such times he did not believe it to be good policy to make any drastic changes in imposing sentences.

He stated, however, that in the event heavier fines did not stop speeding jail sentences might be resorted to and called attention to the fact that 10 days in jail was the minimum penalty. He then sentenced Brown.

Brown said that he had been taking a woman to the hospital to make a call.

ALLEGED GAMBLERS FORFEIT \$50 EACH

A. Johnson, E. G. Jones, R. Riley and A. L. Johnson, charged with gambling, failed to appear for trial in the city court this morning and their bail of \$50 each was forfeited.

John Brown, charged with having liquor in his possession, also failed to appear for trial and his bail of \$50 was declared forfeited.

Gertrude S. Clair, negroess, arrested at Twenty-fifth street and Lincoln avenue on the charge of being drunk, was found guilty and sentenced to pay a fine of \$50 or to serve 50 days in jail.

Peter Trayner, charged with being drunk, pleaded guilty and was sentenced to pay a fine of \$50 or serve 50 days in jail.

James Duffy, charged with vagrancy, pleaded guilty and was sentenced to serve five days in jail.

The case of the state against Jimmie Kutchis, charged with assault with a deadly weapon on the person of George Poulson on March 22 in a Greek coffee house at 154 Twenty-fifth street was set for preliminary hearing on May 2. Bail was fixed at \$500.

GRANT'S BIRTHDAY TO BE OBSERVED

Special programs for the observance of the anniversary of the birth of President U. S. Grant will be held in all of the city schools, Thursday, April 27, it was announced today by Supt. W. Karl Hopkins.

Tentative programs for the schools have been formed and will be carried out as follows:

Boyhood and youth of Grant.
Music—One of the Civil war songs.
Grant in the Civil war.
Tenting on the Old Camp Ground.
Grant at Appomattox.
Music—Battle Hymn of the Republic.
Grant as president.
McKinley's appreciation of Grant.
The American flag.
The Star Spangled Banner.

CAR CONDUCTOR ROBBED OF \$20

Lone Bandit Holds Up R. E. Garrison on East 27th Street

Armed with what "looked like a .44 caliber revolver," and with a dirty, white handkerchief masking his face, just below his eyes, a lone highwayman held up and robbed Conductor R. E. Garrison of the Twenty-seventh street car last night at the east end of the line.

He took the money, changer from the conductor containing \$20 in change and four \$1 bills from the watch pocket of Garrison's trousers, leaving a silver dollar in the watch pocket.

Garrison said at police headquarters this morning that he was not positive whether the man that stood off in the darkness about 60 feet south-east of the car was the robber or not.

Garrison said that he had just reached the end of the line last night at 11:30 o'clock and that after stepping out of the car on its north side, had walked around it to readjust a window guard that had come loose when he was confronted by the highwayman, who commanded him to "Stick 'em up," and who then leisurely searched him.

He then commanded Garrison to get into the street car and start down town, being careful not to look back.

Garrison due to the excitement, was unable to give the police a description of the holdup last night, and though the night force worked on the case no arrests were made. Detectives are working on the case today.

FAMILY HONORED AS BASIS OF SOCIETY

Speaking last night upon the third statement of Christ from the cross, the pastor, Rev. Hugh Neville of the First Methodist church, referred to the Saviour's words as manifesting not only the filial care of a true son for his mother, but as representing divine interest and control in all human affairs.

"God is omnipotent. He still reigns supreme upon the throne of the universe in spite of seeming contradictions, and no condition or circumstance of His creatures is too small or too great for His fatherly love and care."

"The Saviour's attitude towards His mother and to the beloved disciples was typical of His interest and care for all human relationships. He particularly honored the family." To Him it was one of the most sacred institutions on earth and the fundamental unit of society. He was a loyal son. Father, mother, family, home were sacred words with Him. The nation or individual that dishonors the Christian ideal of the family is destroying the very foundations of national and social development.

If many of the foolish theories advocated in these days regarding marriage and home life were adopted, they would not only deny the great words of mother and home of their divine meaning, but would rapidly lead mankind below the level of the beasts.

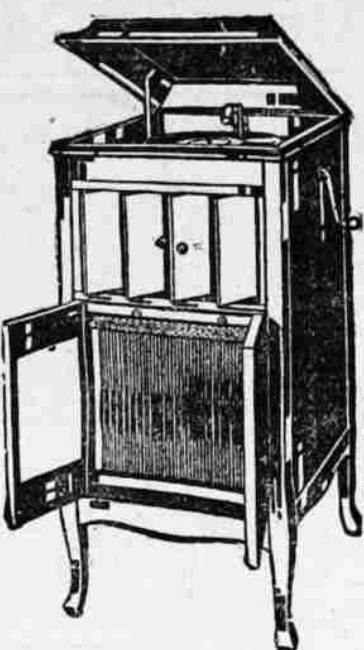

"Motherhood is one of the most beautiful and sacred of human experiences. The Jewish Talmud says: 'God could not be everywhere, so He made mothers.' In Mary, the mother of Jesus, all women may see their highest ideal realized, for she was the noblest type of motherhood and womanhood. 'Some like Jesus will only be possible when we have mothers like Mary.'"

The subject of the address this evening at 8 o'clock will be "The Divine and Human Lament," taken from the fourth and fifth words from the cross.

Mr. and Mrs. D. C. Crangle will sing a duet.

IDAHO YOUTHS SEEK DECLAMATION TITLE

IDAHO FALLS, Ida., April 13.—Eighteen high school contestants from all parts of Idaho will meet here Friday evening in the annual state declamation contest. Gold medals will be awarded to the winners in each of the three divisions—oratorical, dramatic, humorous. Judges of the contest will be Professor N. B. Adkinson of the Idaho Technical Institute at Pocatello; Superintendent R. H. Wallace of American Falls, and Mrs. C. E. Tronson of Rigby.

Benediction, James L. Robson.

The dance will begin at 9 p. m.

SHEEP SHEARING IS DELAYED BY STORM

Field work and preparations for sheep shearing have been hindered by the cold and stormy weather of the last week, throughout Utah, according to the weekly weather, crop and range bulletin, issued by the Salt Lake weather bureau. The cold temperatures have also hindered the moving of sheep to summer ranges.

Sheep are in a weakened condition in some sections, and numerous losses are occurring, but elsewhere they are doing well, though spring feed is slow and poor. Shearing has begun locally, but has been suspended.

The streams are rising slowly, and highways are generally bad. Sheep are passing Government creek toward the lambing grounds, but ranges but, though some bands are suffering heavy losses. Orchard pruning is mostly done at Elberta. Cold weather has been hard on early lambs at Mantle. The best stock range is in fair condition.

Shearing is scheduled to start April 17 at Black Rock.

Cold, stormy weather at Modena caused considerable stock suffering and high losses. Blizzard-like conditions prevailed with the lowest temperature in 21 years. Stock are still being fed at Hatch. Early crops were severely damaged and spring feed retarded at Kana but cold weather feed is starting on the lower Kana but ranges, but conditions are bad. Cold weather stopped meeting at Wildsoe, but the east fork of the Sevier river is still high. Shearing was stopped at Moab by inclement weather; the river is rising slowly.

WOODMANSEE NOW FACES THIRD CHARGE

Porter Woodmansee, charged with being drunk, was arraigned in the city court before Judge D. R. Roberts this morning and entered a plea of not guilty.

Bail was fixed at \$100. Woodmansee is in the city jail having failed to procure the bail.

The hearing of the case was set for April 25.

As Woodmansee was leaving the court room he was served with another warrant on a complaint issued charging him with operating a motor vehicle without number plates.

He is to be arraigned on that charge tomorrow.

DESTROYS CURRANT BUSHES SENT HERE

D. J. Hammon, crop pest inspector for Weber county, yesterday destroyed three currant bushes shipped to an Ogden buyer from a New York nursery and intercepted yesterday morning by G. A. Root of the bureau of plant industry. It is unlawful to ship currant bushes, gooseberry bushes, or white five-pine needle trees from eastern points, Mr. Root said, due to the danger of spreading to this section the white pine blister disease.

ARRANGE TITLE BILLIARD GAME

Ogden and Salt Lake Clubs to Enter Men for Two Events

Billiard players of the Weber club and the Salt Lake Commercial club will meet Saturday and Sunday to determine the state champions in the amateur class, according to an announcement made today by Secretary William V. Rockefeller of the Weber club.

The Weber club will be represented in the play by Lawrence Ridges and J. B. Nye.

Play in the first block will start at 7:30 o'clock at the Weber club Saturday evening. The matches will conclude at Salt Lake Sunday afternoon, it is announced.

Lawrence Ridges will represent the Weber club in the three-cushion play, while Jake Nye will be the local player entered in the straight rail event.

The three-cushion players will play two blocks of 50 points each, while the straight rail players will engage in two blocks at 200 points each.

Harry Gies, of Ogden, has been named to referee the games in Ogden Saturday.

The Weber club boasts two of the best billiard experts in the state in Ridges and Nye. These two men have both displayed their ability in former matches and are being groomed to win state honors.

E. W. Chinoweth will represent the Salt Lake club in the straight rail play while F. O. Scudder is their representative in the three-cushion play.

STUDENTS TO GIVE PLAY THIS EVENING

Students of the Burch Creek school will present a health play in the Fourteenth ward amusement hall Friday at 8 p. m. The play will be presented under the direction of Principal Mabelle F. Holst and teachers of the school. The proceeds will be used for playground equipment at the school. Parents are especially urged to witness the play.

The play was advertised Wednesday night and will be advertised again tonight by the students in a number of school yells in all parts of the school district.

SALESMEN TAKE LIQUOR ORDERS

Businesslike Methods of Coast Bootlegging Company Exposed

SAN FRANCISCO, Calif., April 13.—A complete system for distributing liquor throughout California, with six traveling salesmen, three of them women and a sales list of 400 names including some of the most prominent citizens of San Francisco, has been uncovered in the arrest here Wednesday of M. N. Cosulich, it was announced today by Samuel Rutter, prohibition director for California.

The names include many well known attorneys and business men, according to Rutter, and at clubs and cabarets. The salesmen carried sample cases containing four ounce vials of the liquor that Cosulich had for sale, he said.

Cosulich, who operated under the name of the Central California Vineyard association, had offices in a downtown office building.

The customers are liable to charge of conspiracy to violate the prohibition law, according to Rutter, who went into conference today with John T. Williams, United States district attorney, to decide on further action.

Complete records showing how much the customers purchased and a scale of prices for all kinds of wines and liquors were found, Rutter said, along with directions for delivery and other information.

"Leave liquor in house and not at garage," was the note left with one \$400 order written on a printed form, Rutter announced.

UNATTENDED CAR BRINGS \$15 FINE

John Peterson, a truck driver, employed by the American Grocery company, was arrested in front of 359 Twenty-fourth street yesterday afternoon on the charge of leaving the engine in his automobile running unattended.

He was arraigned in the city court this morning and pleaded guilty to the charge. City Judge Roberts sentenced him to pay a fine of \$15 or to serve 15 days in jail.

Patrolman P. J. Naylin explained to the court that Peterson had parked the car too close to the street car tracks and had left it unattended with the motor running.

WILL TEST DEVICE TO STABILIZE LINER

PHILADELPHIA, April 13.—A large gyro-stabilizer, designed to eliminate sea sickness by preventing the rolling of ships, is to be tested late today at the Westinghouse Electric & Manufacturing company.

Similar devices have been used on yachts and small ships, but the stabilizer at the Westinghouse plant, which weighs 120 tons, is designed for use on the largest ocean going vessels.

It is said the stabilizer also can be used to roll a ship, this being effective in moving stranded vessels from shoals.

Of the yearly total of 500,000 tons of flax produced for manufacturing purposes, Russia in prewar days raised 400,000 tons.

TO OPEN BIDS FOR TEXT BOOKS MAY 5

Bids for text books for the Ogden High school and other city schools will be opened by the board of education May 5. Supt. W. Karl Hopkins announced today. Final decision with regard to the texts to be used during the 1922-23 semester will be decided upon within 30 days after the bids are opened.

Scores of book salesmen have been in Ogden during the past two weeks submitting bids and conferring with Supt. Hopkins with regard to the books.

JUMBO FROGS TO BE PROPAGATED IN UTAH

Jumbo frogs are to be placed in Utah streams for propagation, according to word from the state fish and game commission. A shipment has been received from Idaho and will be provided with quarters at the Springville hatchery, a game propagation station which it is hoped will be to their liking, and in the course of a few years, it is expected the fecundity of the frogs will have furnished ample supply for the entire Salt Lake vicinity. The jumbo variety, especially esteemed as a table delicacy, for expert amateur fishermen. In addition, the farming of frogs on a large scale for a specialized market has frequently proved profitable in other states.

'WHEEZER' DELL OUT OF VERNON LINEUP

LOS ANGELES, April 13.—William "Wheezier" Dell, pitching ace of the Vernon Pacific coast league club, will be out of the game for two or three weeks, the Tiger management announced today. A medical examination revealed Dell was suffering from a broken cartilage on the end of one of his ribs.

WARMER FRIDAY OGDEN AND VICINITY

Fair skies are promised for today and tomorrow in the north of the state, according to the forecast of the United States weather bureau. The maximum temperature today was 44 degrees, with a last night of 24 degrees.

To the Farmers Weber County

The farmer who harvests a good substantial crop and under an agreement that assures him equitable participation in price received is the one who is likely to have the most satisfactory balance in the bank at the end of the season.

The farmer who has his land planted to such a crop receive greater consideration in securing financial credit.

Communities as a whole believe in supporting their farmers who have built up and upheld the communities for the past years.

The time has arrived when crops should be planted, and aiding upon your crops, give consideration to the safety of your interests, and not to the prospects and gamble of an unknown market which might be flooded from every state in the Union.
